### About Buena Vista Winery

Before there were vineyards in every valley north of San Francisco, before Napa and Sonoma were household names, before there was a California wine world at all, there was Buena Vista. Founded in 1857, Buena Vista is California's first premium winery, and its history is as colorful as it is proud. Today, the legend is being re-born under the vision of Jean-Charles Boisset. Buena Vista Winery has a rich, delicious heritage as the first premium-and certainly the most colorful-of all of the wineries in California. And its founder, the self-proclaimed "Count of Buena Vista," Agoston Haraszthy, was a vivacious and eccentric pioneer with a veritable love and unending commitment to California wine. Buena Vista. Our future is our past... our vivacious, colorful, and pioneering past!

Enjoy lunch with David Duncan, Proprietor of Silver Oak, prepared by private in-house chef Dominic Orsini.
